Our diversity is our strength

Every day we go to work, attend school, and live our lives side by side. Our individual experiences come together to help us learn more about the world around us, and ourselves as well.

We're proud to be a part of the diverse communities where we live and work.

Letter From The President

Greetings, LGBTQIA2S+ Community!

To say that 2023 has been an incredible year for Star City Pride would be an understatement. A new website, new events, new board, revised by-laws, and even a new board position have launched us through this year with an unmatched trajectory that has not been seen in years. I am proud of our board members and what we have accomplished in such a short time together.

When we held our first town hall meeting back in August, we did not know what to expect. We found incredible feedback from our community regarding areas of the festival and parade that we needed to work on, along with overwhelmingly positive feedback for the successes that we shared in 2022 and hope for the future. The spirit of collaboration and teamwork has echoed through our meetings throughout the year. This, along with consistent attendance from our LGBTQIA+ community members, has created a beautiful tapestry that is this year's PRIDE Festival & Parade. Our focus this year is #LOVELOCAL. We celebrate everything that is local to our beautiful state. From Vendors, to bands, queens, and entertainers, we are spreading that local love to our community this year, and hope you feel it echoing throughout the weekends' scheduled events!

The 2023 Board of Directors has a collective mission to build our community up through the spread of love, inclusion, and positivity. As you walk the festival grounds and Parade route, I encourage you to introduce yourself to our board members and thank our volunteers. After all, this is YOUR festival and Parade. We are just the stewards that make it happen each year. We love your feedback and hope that this year's experience is one that you will remember for years to come.

HEARTS UNITED
for ANIMALS

Hearts United for Animals ~ A no-kill animal shelter, sanctuary, and welfare organization dedicated to the relief of suffering.

Hearts United for Animals is a Smithsonian Award winning, state-of-the-art no-kill shelter and sanctuary dedicated to relieving the suffering of domestic animals. HUA has rescued thousands of dogs from puppy mills since 1996, provided low cost spay/neuter services for over 14,000 patients, and offers temporary housing for animals of families fleeing domestic violence. We have placed thousands of cats and dogs in wonderful new homes across the country through our JetSet Dogs program. The Proud Pets Program provides free veterinary care for the beloved pets of previously homeless veterans. With your support, we continue with these very important missions of mercy that save precious lives and heal broken hearts.

- over 200 dogs and cats available for adoption
- rescue of puppy mill & other special needs animals
- sanctuary for animals belonging to victims of domestic violence
- rescue of displaced dogs in natural disaster situations
- low cost spay/neuter clinic
- assistance for pets of veterans
- located on 60 acres of rolling meadows in Southeast Nebraska

The cost to operate the HUA shelter exceeds \$1,000,000 per year. Your donations mean so much to the animals in need. Because of your support, HUA will be ready to help the next animal in need, shut down the next puppy mill and provide valuable service to the community.
